### To Read:

There was a weak correlation between the number of comments on a review and count of people who found the review helpful.

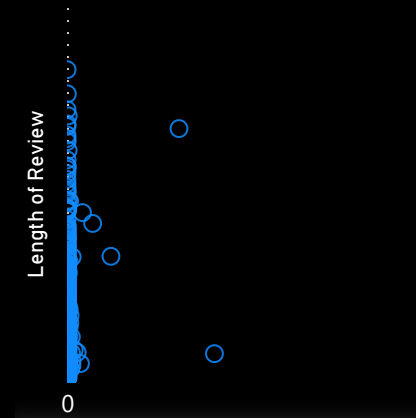

However there was no correlation length of review and number of comments on it or count of people who found the review helpful.

Some of the review missed ant meaningful body text but had interesting questions in the review title which others found helpful.

Shubham Dutta	So I got the iPhone XR just today. The product looks amazing. But unfortunately the Face ID is not working and there's a glitch in the front camera's portrait mode. That's fine, it may happen. But what's not fine is the pathetic service provided by amazon and apple. Firstly, amazon takes no responsibility of the product once sold. Talking about the giant, apple, the so called market leaders. Went to the service centre after running a diagnostic the solution they came up	<a href="https://www.amazon.in/Apple-iPhone-XR-6-reviews/B07JWV47JW/ref=cm_cr_ar_p_d_pa?pageNumber=1">https://www.amazon.in/Apple-iPhone-XR-6-reviews/B07JWV47JW/ref=cm_cr_ar_p_d_pa?pageNumber=1</a>
